

San Juan Basin

New Mexico & Colorado

Hilcorp Energy Company

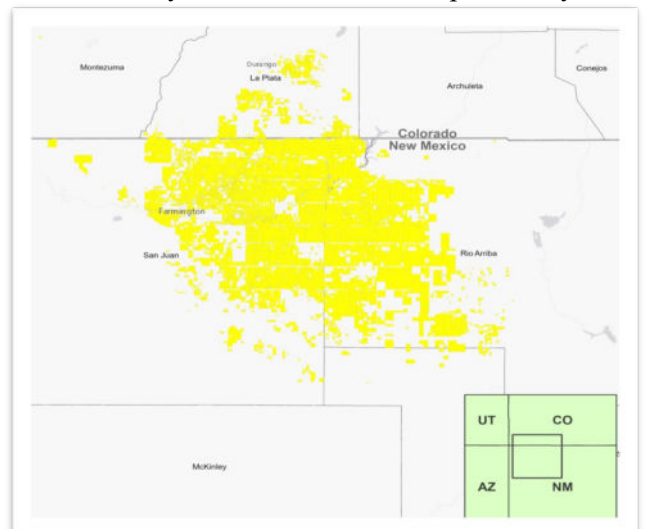

ABOUT HILCORP

Hilcorp was founded in 1989 with the vision of being the premier independent energy company in America. Today, it is the largest privately owned oil and natural gas producer in the country and employs almost 3,000 employees across the nine states where we operate.

Hilcorp acquires conventional oil and gas assets and optimizes them by leveraging our teams' operational expertise, modern technology, and innovation, along with an equal commitment to safety and environmental responsibility.

HILCORP IN SAN JUAN

- Hilcorp first entered the San Juan Basin of New Mexico and Colorado in 2017.
- Today, Hilcorp is the largest operator in the region.
- Hilcorp utilizes compact, state-of-the-art screw compressor packages to reduce output by 25,000 horsepower across the fleet, reducing emissions by over 80%.
- Hilcorp safely and effectively performed plugging & abandoning (P&A) operations on over 150 San Juan wells in 2022.
- Hilcorp invested over \$113 million into the state and local economies of the region in 2023.
