### **A BILL**

## FOR AN ACT ENTITLED

"An Act relating to placement of a child in need of aid; relating to adoption; relating to variances for foster care licenses; relating to the medical records of children in foster care; and providing for an effective date."

### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

\* **Section 1.** AS 47.10.080(s) is amended to read:

(s) The department may transfer a child, in the child's best interests, from one placement setting to another, and the child, the child's parents or guardian, the child's foster parents or out-of-home caregiver, the child's guardian ad litem, the child's attorney, and the child's tribe are entitled to advance notice of a nonemergency transfer. A party or child's foster parent with whom the child has resided for at least 18 months who is opposed to the proposed transfer may request a hearing and must prove by clear and convincing evidence that the transfer would be contrary to the best interests of the child for the court to deny the transfer. A foster parent may obtain, at the foster parent's cost, a medical or psychological evaluation of the

child for the purpose of providing evidence at the hearing. A foster parent who requests a hearing to oppose a proposed transfer under this subsection does not become a party to the case. A foster parent or out-of-home caregiver who requests a nonemergency change in placement of the child shall provide the department with reasonable advance notice of the requested change. When the department transfers a child from one out-of-home placement to another, the department shall search as provided under AS 47.10.145 for an appropriate placement with an adult family member or a family friend who meets the foster care licensing requirements established by the department. A supervisor at the department shall certify in writing in the case file whether the department has searched for an appropriate placement with an adult family member or family friend. If the department has not complied with the search requirements under this subsection, the supervisor shall work to ensure that the department completes the search in the shortest time feasible.

\* Sec. 2. AS 47.10.084(d) is amended to read:

- (d) When the child is placed in foster care, the foster parent has the right and responsibility to use a reasonable and prudent parent standard to make decisions relating to the child. The foster parent may make decisions under (a) or (b) of this section that include decisions relating to the child's participation in age-appropriate or developmentally appropriate activities, including travel, sports, field trips, overnight activities, and extracurricular, enrichment, cultural, and social activities. A health care provider subject to the provisions of the Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191) who provides services to a child in foster care shall provide the medical records of the child to the child's foster parent upon the request of the foster parent. The department shall provide foster parents with training regarding the reasonable and prudent parent standard. In this subsection, "reasonable and prudent parent standard" means a standard characterized by careful and sensible decisions to maintain the health, safety, and best interests of the child while encouraging the emotional and developmental growth of the child.
- \* **Sec. 3.** AS 47.10.088(i) is amended to read:
  - (i) The department shall concurrently identify, recruit, process, and approve a qualified person or family for an adoption whenever a petition to terminate a parent's

rights to a child is filed. Before identifying a placement of the child in an adoptive home, the department shall [ATTEMPT TO] locate any [ALL] living adult family members of the child through a diligent search for adult family members as described in AS 47.10.145 and, if an adult family member expresses an interest in adopting the child, investigate the adult family member's ability to care for the child. The department shall provide to all adult family members of the child located by the department written notice of the adult family members' rights under this chapter and of the procedures necessary to gain custody of the child, but the department's obligation to provide written notice under this subsection does not apply to a parent of the child whose parental rights are being or have been terminated or to an adult family member who is known by the department to be ineligible for a foster care license under AS 47.32 and regulations adopted under AS 47.32. If an adult family member of a [THE] child six years of age or older requests that the department approve the adult family member for an adoption, the department shall approve the request unless there is good cause not to approve the adoption. If an adult family member of a child under six years of age requests that the department approve the adult family member for an adoption, the department shall approve the request unless the child has resided with a foster family seeking adoption for at least 24 months and there is clear and convincing evidence that continued placement with the foster family is in the best interests of the child. If the court issues an order to terminate under (j) of this section, the department shall report within 30 days on the efforts being made to recruit a permanent placement for the child if a permanent placement was not approved at the time of the trial under (j) of this section. The report must document recruitment efforts made for the child.

# \* **Sec. 4.** AS 47.10.142(i) is amended to read:

(i) When the department takes emergency custody of a child under this section or a court orders a child committed to the department for temporary placement under this section, the department shall, to the extent feasible and consistent with the best interests of the child, place the child according to the criteria specified under AS 47.14.100(e).
