Subject: SB 92 Corporate Income Tax
Date: Sunday, April 06, 2025 10:52:04 AM

I support SB 92 amending the state corporate income tax so it applies to S Corporations, especially to Hilcorp, which is unfairly benefiting from the current tax code.

I also support reviving the state income tax. We need more revenue to pay for essential services like education, public safety, roads, and other critical infrastructure. I support a reduced PFD in the range of \$1000. I emphatically oppose taking money from the CBR to balance the budget.
