SB 123 Changes from Version A to Version H

1. Inserted language to require the courts to add the violation to the bail schedule, and to allow individuals to pay the fine without a court appearance (page 1, lines 5-7)

2. Inserted language to cite 12.55, which defines the fine as *not more than $500* (page 1, line 10)

3. Added an effective date of July 1, 2016; this gives the courts ample time to revise the bail schedule (page 2, line 9)
