FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION**Analysis**

This bill extends the closure of the school construction debt reimbursement program (AS 14.11.10) to any new voter approved authorizations until July 1, 2030. The current closure became effective January 1, 2015, and the moratorium is scheduled to sunset July 1, 2025.

This legislation reestablishes the program with the reimbursement rates set at 50 percent and 40 percent for indebtedness authorized by voters on or after July 1, 2030.

It is difficult to accurately predict the fiscal impact this bill would have. It can be anticipated that the department's school construction debt reimbursement allocation will experience scheduled reductions as currently reimbursed bonds are paid off during the five-year extension and new debt service is not being added. The amount of indebtedness that may be incurred on projects approved for debt reimbursement at the 50 percent and 40 percent levels following July 1, 2030 (FY2031) is unknown.

This portion of the bill takes effect on June 30, 2025.
