Re: Board of Game 2018 appointments

**Support** the reappointments of Teresa Sager-Albaugh and Larry Van Daele

Dear Resources Committee Chairs and members,

Resident Hunters of Alaska (RHAK) would like to express our strong support for the reappointment of Teresa Sager Albaugh to the Board of Game. It may seem odd that we support member Sager-Albaugh, in light of the fact that she typically does not vote our way on issues we bring before the Board. But RHAK is not just about supporting Board of Game members who we hope will always vote our way, or opposing those who don't. What we see in member Sager-Albaugh – and it has been true the entire time she has served on the Board – is someone who continues to staunchly advocate for following the rules and obligations of the Board to conduct an open and fair public process within the bounds of the board's authority. We highly respect that and her and we hope you will reappoint member Sager-Albaugh for another term.

RHAK supported Larry Van Daele's appointment last year to replace and serve out the term of another board member who had resigned. Member Van Daele has been a very constructive and informative voice on the Board of Game. We continue to support Doctor Van Daele for a full 3-year term.

Thank you,

Mark Richards  
Executive Director Resident Hunters of Alaska
