Re: Support for House Bill 197

Dear Representative Johnston,

This letter is to communicate the Central Peninsula Garden Club's support for HB 197.

Started in 2007, the Central Peninsula Garden Club is a volunteer, nonprofit 501(c)3 organization. We currently have over 200 members.

We sponsor monthly programs, September through April, which are free and open to the public. In addition to these programs, we also have a monthly newsletter, bonus presentations, gardening workshops, and summer garden tours.

The CPGC's mission is "to educate and exchange reliable information about all aspects of gardening on the Kenai Peninsula, Alaska." We support this legislation to have seed libraries in Alaska where we can exchange seeds, as well.

Thank you.

Sincerely,

Renae Wall, President  
Central Peninsula Garden Club
