SJR 7

Constitutional Amendment Voter Approval for New Taxes

Explanation of Changes (Version A to D)

- Version D of SJR 7 narrows the proposed constitutional amendment that would add the requirement that any tax would not go into effect until approved by the voters of the State by a majority of the votes cast on the proposed law.

This version would have the voter approval requirement more narrowly apply to any broad-based individual income tax or a statewide general sales tax rather than any tax.
