Subject: Support of Senate Bill 19
Date: Monday, April 14, 2025 1:36:34 PM

Dear Senate State Affairs Committee, I support SB 19 and would like to ask you to pass the bill out of your committee. Having access to treatment, family, and rehabilitative services is essential. We must do everything we can to help people transition back to the community.

Sincerely yours,

Kelly Marre, LCSW, MSW
