**Subject:** SB 127- Repeal SB 91  
**Date:** Wednesday, April 18, 2018 3:25:39 PM

---

Good Afternoon,

As a lifelong Alaskan tax payer and voter, I implore the senate to repeal SB 91. I am deeply concerned about the climate of escalating crime in our community. Crime is visible on a daily basis, as is the lack of penalty associated with the crime. Weak enforcement of penalties not only erodes the intent to deter future criminals but also continues to erode the safety and confidence of our community.

Please repeal SB 91.

Candice Cheshire
