**Subject:** Not in support of repealing SB 91 - Repair parts that need repairing - Unclass  
**Date:** Tuesday, April 17, 2018 5:58:30 PM

Co-Chair MacKinnon, Co-Chair Hoffman, Senators Bishop, Micciche, von Imhof, Olson and Stevens, recommend repairing SB 91 rather than repealing. Criminal Justice Reform was a much needed undertaking and it happened over several years. There are absolutely positive portions particularly aimed at reducing recidivism and restoring inmates to productive, law-abiding citizens. Examples include providing substance use disorder and mental illness treatment as well formal reentry plans and job skills training. Therefore, I do not support repealing as proposed. Rather, I support identifying the portions that need amending and pursuing accordingly.

Thank you for the opportunity to provide my opinion.

Resident of District N represented by Senator Giessel.
