Subject: Repeal SB91
Date: Sunday, April 15, 2018 4:06:40 PM

I have formally written email and called in and hope to voice my desire to see Anchorage not be the dead last in economic stability in our great union or the fist on the list in crime rise and rates....Please repeal SB91.....And stop garbing for what is not yours, the PFD belongs to the people each individual not the Government.
