Hello,

My name is Terence and my family and I have recently moved to try to escape the vehicle crime epidemic in Anchorage. Our vehicles were both burglarized twice and our kids stroller was even stolen out of our truck. Unfortunately most single family homes don't even have garages, so we're stuck parking on the street.

We need stiffer sentences, with Jail or forced rehab time, for lower level crimes to keep criminals off the streets! They need to be In Treatment or Jail once convicted.

Please repeal SB 91. Anchorage residents should not have to suffer just because some legislators cannot admit their well intentioned bill has back fired.

Thank you
