Intent

Department of Law

It is the intent of the legislature the State of Alaska no longer cover the full cost of housing unsentenced federal inmates in state facilities. Therefore, the legislature urges the Department of Law to work with the Department of Corrections and federal agencies to either receive adequate daily funding for federal inmates housed in state facilities or to determine a method for them to be housed at a federal or private facility until court hearings. Law and DOC shall submit a joint response to the Co-chairs of the Finance committees and to the Legislative Finance Division by December 20, 2025, outlining the determined terms, number of federal inmates housed in state facilities by month in 2025 and the final cost associated to the state, if any.
