

Representative Scott Jiu Wo Kawasaki

Alaska State Legislature

District 1 Fairbanks

CSHB 262 (L&C) Explanation of Changes

"An act relating to Overtaking and passing certain stationary vehicles"

Version J to Version O

Section 1

On page 1, lines 7, the words "calendar" has been deleted and is replaced with the word "fiscal."

Explanation

The department already collects information based on a fiscal year basis and would have required additional funds for technical support to codify occupational Licensure data on a calendar year basis. Therefore, this change sets the fiscal note back to zero.

CSHB 262 (MLV) Explanation of Previous Changes

"An act relating to Overtaking and passing certain stationary vehicles"

Version D to Version J

Section 1

On page 1, line 7 the word "Fiscal" has been changed to "calendar."

On page 2, lines 4-5 the phrase, "each regular session of the legislature" is replaced with "March each year."

On page 2, line 6, following the words "the first day of" and before the words "the first regular session," the words "March during" have been added.

Explanation

Since the report is due to the Joint Armed Services Committee on an annual basis, the deadline of the report has been extended closer to the time Joint Armed Services Committee annual briefings take place. This also allows for the department to have more time to gather and assess information for the report.
