**To:** [Senate Finance Committee](#)  
**Subject:** HB119  
**Date:** Friday, May 11, 2018 2:35:10 PM

---

I understand that SB86 language has been included in HB119.

I have owned property affected by this legislation for more than 40 years and I support the language that protects/restores my property rights as it currently exists in SB86.
