Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. A. Egan".

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

Thao Xiong
