# **NPR-A Impact Grant Program**

**Presentation to House and Senate  
Joint Resources Committee**

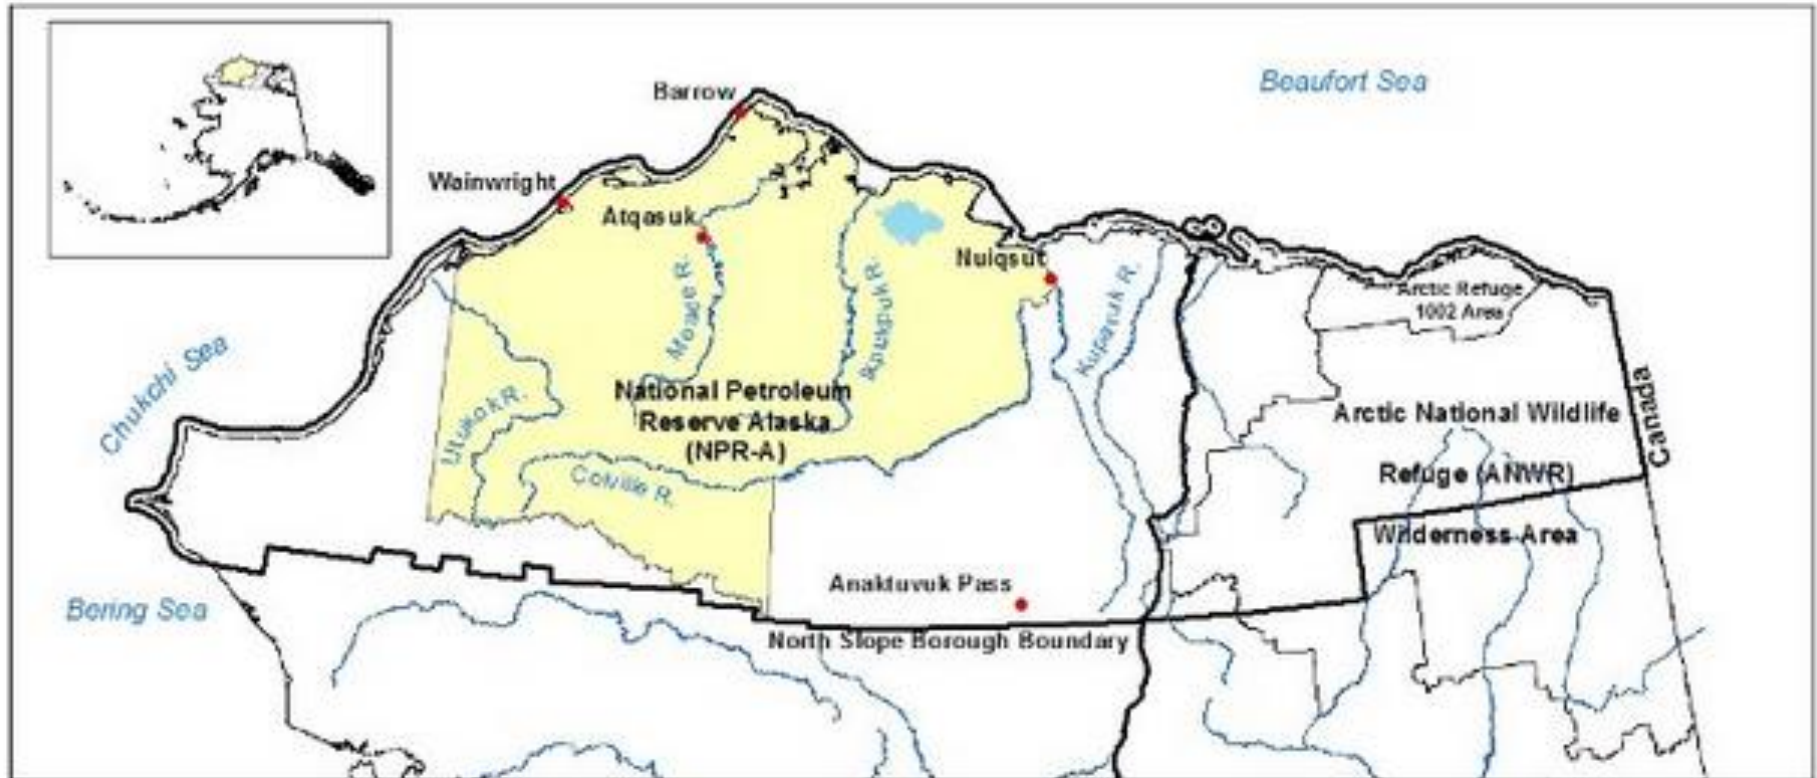

**September 10, 2018**

**Commissioner Mike Navarre**

**Department of Commerce, Community, and Economic Development**

# NPR-A Background

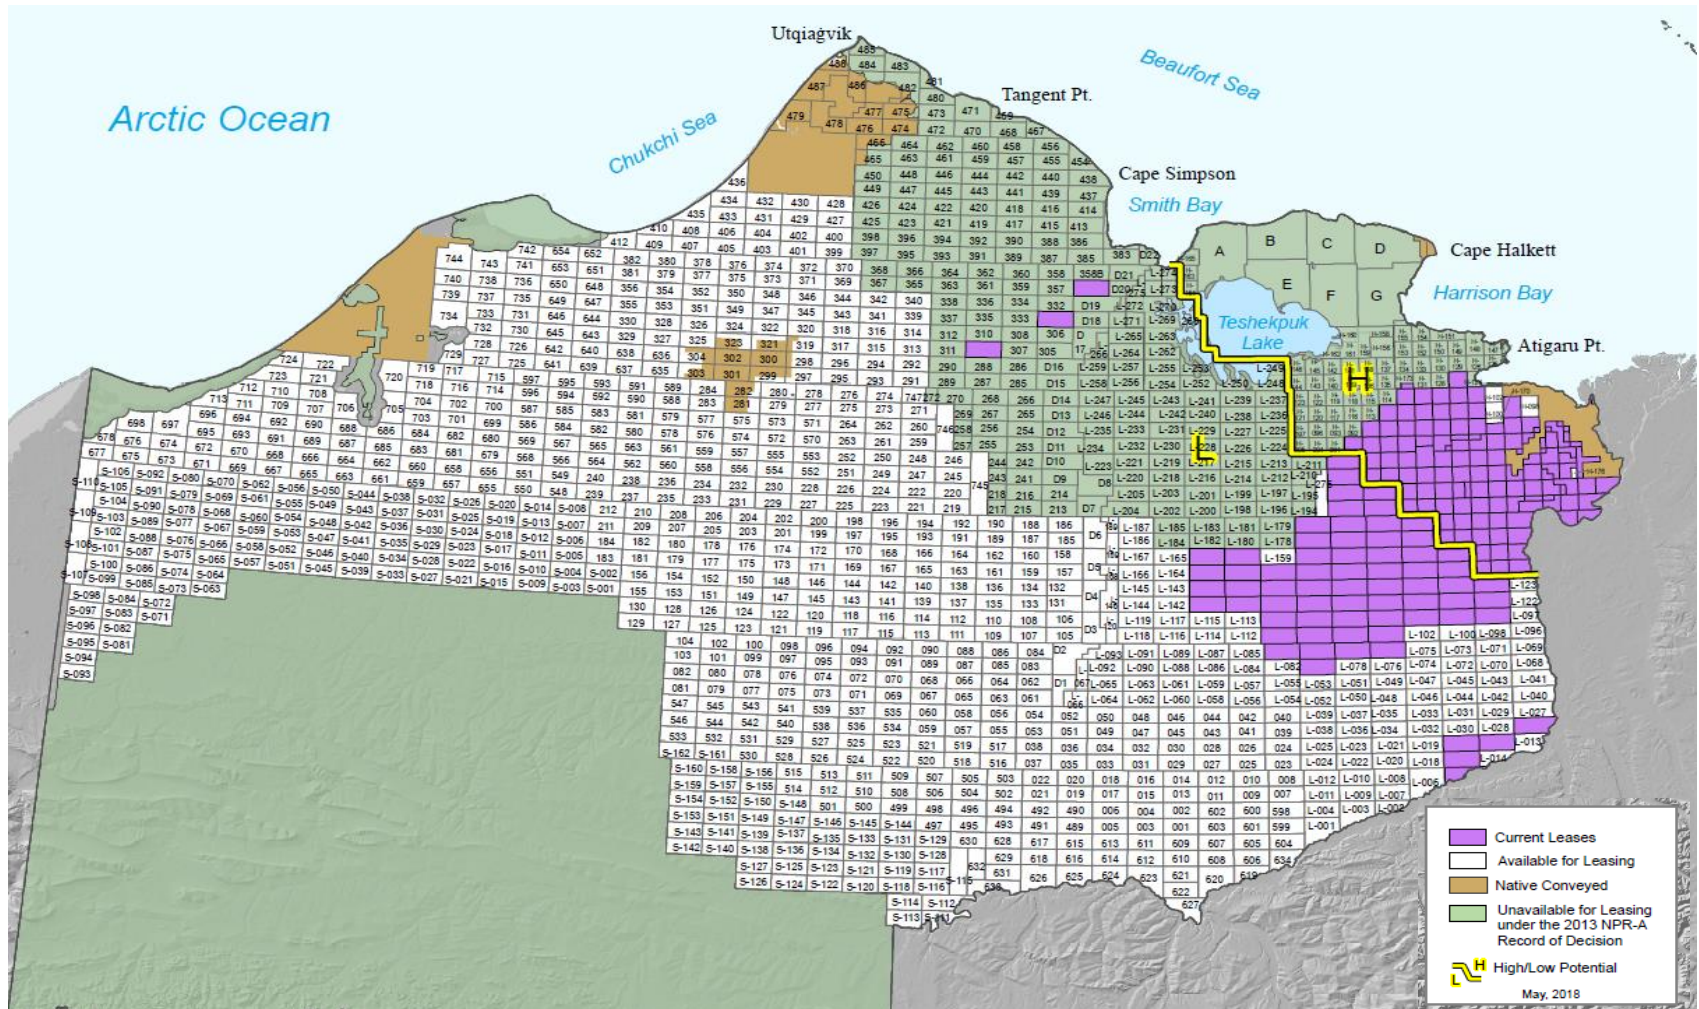

The NPR-A covers 22.5 million federal acres of public land on Alaska's North Slope.

# NPR-A Lease Sales

2018 tracts available for leasing (white)

# NPR-A Funds

- The NPR-A is managed by the federal government
- 50% of funds received from the “sales, rentals, bonuses, and royalties on leases issued...” go to the State of Alaska
- The monies are to be used for:
  - (a) planning,
  - (b) construction, maintenance, and operation of essential public facilities, and
  - (c) other necessary provisions of public service: Provided further, that in the allocation of such funds, the State shall give priority to use by subdivisions of the State most directly or severely impacted by development of oil and gas leased under this section.
