The Honorable Mike Hawker Chair  
Legislative Council  
Alaska State Capitol  
Juneau, AK 99801

Dear Representative Hawker:

The Outdoor Heritage Foundation of Alaska (OHFA) will once again be holding its major fund-raiser, the Midnight Sun Charity Shoot on May 18, 2013. The Charity Shoot is a one day event that raises money for important education and conservation initiatives here in Alaska.

The OHFA is a 501(c)(3) non-profit and conducts education programs in support of the Alaska Department of Fish and Game, general conservation and outdoor recreation. It also provides support for educational programs for the Legislative Outdoor Heritage Caucus such as attendance at events held by the National Assembly of Sportsmen's Caucuses where legislators from around the country gather to learn about current issues and strategies to preserve America's outdoor traditions.

We are once again asking that the Legislative Council sanction this event to assist us in our fundraising endeavors. As a leading provider of healthy outdoor education programs in Alaska, we hope you and your colleagues will join this year's effort and help us "Leave No Child Inside".

Thank you for your time and consideration on our request.

Sincerely,

Lee Rogers  
Secretary

Re: Request for Charity Event Approval

Dear Rep. Hawker:

Juneau Arts & Humanities Council, an Alaska non-profit corporation, is offering a wine tasting on Tuesday, April 2, 2013 at 5 pm to help support the Juneau Arts and Culture Center.

The "JACC," as it is known, serves as a busy community center used by organizations and individuals for concerts, trade shows, weddings, skate practice, receptions, and all manner of public and private events. The facility is a retired National Guard Armory that the Council manages and supports.

The wine tasting includes live music by local musician Tom Locher, and refreshments by The Rookery. Local artists have created recycled wine bottle art pieces for sale or donation. Wines are presented by Specialty Imports and include the wines from Bear Creek Winery in Homer, offering local residents an opportunity to meet and sample one of Alaska's unique and very successful products.

Pursuant to AS 24.60.080(a)(2)(B), the Juneau Arts and Humanities Council requests charity event approval of the Legislative Council for this tasting, which will be held at the JACC.

Thank you for your consideration of this request.

Sincerely,

Re: Sanctioning of charity event – 21<sup>st</sup> Annual Coal Classic Golf Tournament

Dear Representative Hawker and Senator Micciche,

On June 12, 2013 we will be hosting our 21<sup>st</sup> Annual Coal Classic Golf Tournament. I am writing to request the Legislative Council consider sanctioning our event again this year under state statute AS 24.60.080(a)(2)(B). This tournament has a long history of supporters as noted by last year's enclosed sponsorship sheet.

Alaska Resource Education is a state-wide 501(c)3 organization dedicated to educating our youth about Alaska's natural resources. We offer Alaska Resource curriculum and kits to teachers filled with materials focusing on minerals, energy and forestry. We also provide a 500-level credit course through the University of Alaska to teach educators on the use of our kit materials and curriculum. You can often find us in the classrooms teaching kids of all ages about the importance natural resources play in our state's economy, workforce and future.

I hope you will visit us at [www.akresource.org](http://www.akresource.org) to learn more about our events and our organization. If you have any questions, please do not hesitate to contact me at the numbers listed above.

Warm regards,

Michelle Brunner  
Executive Director
