Explanation of Changes in HB122am

House Bill 122 “Funter Bay Marine Park: Unangan Cemetery”

On the House floor, HB 122 was amended to correct a technical error in the Department of Natural Resources' original description of the land to be conveyed. That description inadvertently included acreage that was already within the Funter Bay Marine Park boundaries. The amendment assures that only property not currently included in the park is conveyed for the purposes of the bill. The result is that HB122am now conveys 251 acres to the park, rather than the 537 acres described in the original legislation.

Specifically, the language on page 1, line 9 through page 2, line 2 was deleted and replaced with:

“(A) Section 1: Lot 1

Section 2: Lots 1 - 5, including all adjacent tideland
Tract A: That portion within the W1/2 NW1/4 of Protracted
Section 1, and NE1/4 and N1/2 SE1/4 of Protracted Section 2;
Tract 37;
aggregating approximately 251.3 acres, more or less,
according to the Bureau of Land Management plat of survey, filed December 3, 1999;”
