Senate Bill 47

Explanation of Changes

Version S to Version G

Section 11 has been amended to remove “Physiotherapist” from the penalty for falsely claiming to be a physical therapist.

Specifically, on page 8, line 1 “Physiotherapist” is removed.

The term physiotherapy is a broad term that encompasses the scope of practice of different healthcare professions. For instance, it is used by chiropractors and can be found in the regulations for the Board of Chiropractic Examiners: 12 AAC Chapter 16. To reduce confusion, “physiotherapist” is removed.
