Re: Support for Mrs. Carri Ann Mueller appointment to the Board of Game

Honorable Members of the Alaska House Resources Committee,

I am writing to express my strong support for the appointment of Carri Ann Mueller to the Board of Game. As a lifelong Alaskan, Mrs. Mueller brings invaluable perspectives and experiences that would serve as a great asset to both the Board and the State of Alaska.

Mrs. Mueller's professional background is rooted in the aviation industry, particularly within the regional airline sector in Alaska. This field demands exceptional dedication, professionalism, judgment, and skill. The rural communities of Alaska rely heavily on the services provided by this industry, and individuals like Mrs. Mueller are pivotal to ensuring that these essential services are maintained.

Beyond her professional accomplishments, Mrs. Mueller is deeply committed to her community, having volunteered with numerous non-profit organizations throughout the state. Her passion for her volunteer work is evident and inspiring. Furthermore, her dedication to hunting and the preservation of Alaska's wildlife is truly exceptional, showcasing her commitment to sustainable management and conservation efforts.

The people of Alaska would greatly benefit from Carri Ann Mueller's confirmation to the Board of Game. Her unique combination of professional expertise and personal passion makes her an ideal candidate to contribute positively to our state's wildlife management efforts.

Thank you for considering this recommendation.

Sincerely,
