

30 January, 2011

Senator Linda Menard

I write this letter to show my support, and the support of the Mat-Su Second Amendment Task Force, for SB#2, now before the Senate.

I am a Life Member of the National Rifle Association (NRA), and have long thought that Alaska has needed NRA License Plates to raise needed funding for Sporting related Organizations.

The only group that I would suggest the residual funding, from the sales of these NRA Plates, should go to would be the "Alaska Scholastic Clay Target Program", which directly supports both the safe handling of firearms and also benefits Youth through the teaching of mental and physical disciplines.

I wholeheartedly hope that you will place your full support, for the passage of SB#2, behind this Legislation to see it through to fruition.

Respectfully yours,

Signed

Kenda K. Chapman, Life Member of the NRA

Morgan J. Chapman, Jr. Member of the NRA

Len Betts

Co-Founder/Spokesperson for Mat-Su 2nd Amendment Task Force

Dear Ms. Menard:

This letter is to inform you of our support for Senate Bill 2, with proceeds from the sale of the NRA license plates going to support Alaska's Scholastic Clay Target Program. Many of our youth would be able to benefit from these funds. We hope that we can count on your support for this Bill, as well.

Thank you for your time and consideration,

Daniel and Stephanie Churchill

Dear Representative Holmes, Herron and Senator Hoffman

I'm requesting your assistance to introduce a bill to the 2011 Alaska State Legislature. I would like the DMV to issue a special breast cancer awareness license plate, with a pink ribbon. My wife Memry Dahl is a breast cancer survivor, and has been cancer free the past three years. I am so proud of her and the many other breast cancer survivors during what is one of the most difficult periods of their lives. This request is a way for me to show Memry and other survivors that I support and care about them and wish for a day when this disease no longer impacts their lives. I also want to give family and friends a way to support the breast cancer cause, and display their support on their vehicles. I hope that friends and family will not only display the breast cancer awareness license plates on their vehicle but that the state would assist in collecting donations and would donate the money to an Alaska cancer support group. I appreciate your assistance on this matter, I hope we can gather the support needed to make this a reality. Thank you

Sincerely,
Christopher Dahl
Anchorage, Alaska
