FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. SB 180

Analysis

Senate Bill 180 repeals AS 42.05.711(v), an exemption provision enacted by the 33rd Legislature to explicitly provide that a liquified natural gas facility under the jurisdiction of the Federal Energy Regulatory Commission is exempt from AS 42.05. AS 42.05 is titled the *Alaska Public Utilities Regulatory Act* and addresses the regulatory authority of the Regulatory Commission of Alaska (RCA). The repeal of AS 42.05.711(v) would eliminate any uncertainty regarding the RCA's jurisdiction over the review of gas supply agreements or terminal use agreements for public utilities using the services of a liquified natural gas import facility.

The Regulatory Commission of Alaska expects to implement the provisions of this legislation with existing resources.
