(a) An insured worker is entitled to receive [WAITING-WEEK CREDIT OR] benefits for a week of unemployment if for that week the insured worker is able to work and available for suitable work. An insured worker is not considered available for work unless registered for work in accordance with regulations adopted by the department. An insured worker may not be disqualified for failure to comply with this subsection if

(1) the insured worker is not available for work because the insured worker

(A) is ill or disabled;

(B) is traveling to obtain medical services that are not available in the area in which the insured worker resides, or, if a physician determines it is necessary, the insured worker is accompanying a spouse or dependent who is traveling to obtain medical services;

(C) resides in the state and is noncommercially hunting or fishing for personal survival or the survival of dependents;

(D) is serving as a prospective or impaneled juror in a court;  
[OR]

period, the insured worker was permitted, on average, to work remotely at least 50 percent of the time; or

(ii) accepted an offer of work that begins after the insured worker's return from travel, and the insured worker provides documentation that an earlier start date was not available; [AND]

(2) a condition described in (1)(A) - (E) [(1)] of this subsection occurs during an uninterrupted period of unemployment immediately following a week for which the insured worker has filed a compensable claim, and work has not been offered that would have been suitable for the insured worker before the illness, disability, hunting, fishing, medical travel, jury service, or funeral attendance.

\* **Sec. 10.** AS 23.20.378(c) is amended to read:

(c) An insured worker is disqualified for [WAITING-WEEK CREDIT OR] benefits for a week of unemployment while the insured worker is pursuing an academic education. However, an insured worker who has been pursuing an academic education for at least one school term and who was working at least 30 hours a week during a significant portion of the time that the worker was pursuing an academic education is not disqualified for [WAITING-WEEK CREDIT OR] benefits under this subsection if the worker's academic schedule does not preclude full-time work in the worker's occupation and if the insured worker became unemployed because the worker was laid off or the worker's job was eliminated. In this subsection,

(1) "pursuing an academic education" means attending an established school in a course of study providing academic instruction of 10 or more credit hours per week, or the equivalent;

(2) "school" includes primary schools, secondary schools, and institutions of higher education.

\* **Sec. 13.** AS 23.20.379(b) is amended to read:

(b) An insured worker is disqualified for [WAITING-WEEK CREDIT OR] benefits for a week and the next five weeks of unemployment following that week if, for that week, the insured worker fails without good cause

(1) to apply for available suitable work to which the insured worker was referred by the employment office; or
