## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION

## Analysis

CSSB69(FIN) amends the statutes pertaining to the practice of chiropractic in the state, adding chiropractic interns, chiropractic preceptors, and chiropractic assistants. The bill also adds to the scope of practice of chiropractors the performance of physical examinations for school and sports programs. It increases the penalty for unlicensed practice and use of fraudulent licenses and certificates to Class A misdemeanors.

This bill allows chiropractors to employ nationally certified chiropractic assistants, chiropractic interns, and chiropractic preceptors.

The bill expands the ability of chiropractic physicians to perform school and pre-performance sports physicals, increasing that activity from chiropractic examinations.

A significant increase in the penalty for unlicensed practice and the use or attempt to obtain a fraudulent license is included in this bill. The penalties go up, from \$1000 and \$500, respectively, to \$10,000.

Regulations are required so that the department may set fees under AS 08.01.065.

If the bill passes the following expenses will be incurred:

Services: \$2.5 (one-time legal cost to amend regulations, printing, and postage)

Professional licensing programs at CBPL are funded by Receipt Supported Services fund source 1156 Rcpt Svcs (DGF). Licensing fees for each program are set per AS 08.01.065 so the revenue collected approximately equals the occupation's regulatory costs.
