FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. HB24

Analysis

This legislation creates an aggravator at sentencing if the defendant knowingly directed the conduct constituting the offense at the victim because of the victim’s sexual orientation or gender identity.

Aggravators are proved in conjunction with the prosecution of the defendant and are considered when imposing a sentence. Therefore, this aggravator would apply to cases which the department had already accepted for prosecution on other grounds and would not result in a substantial increase in workload. For these reasons the department does not anticipate a fiscal impact from this legislation.
