Subject: Close the Hilcorp Loophole -Move SB 92

Good morning Senator Cronk,
cc: Finance Committee Co-Chairs

I have watched the continued discussion about how there is no money to support education, but there has been no movement on closing the loophole for taxes on Hilcorp.

My understanding is that SB 92 is currently languishing in the Senate Finance Committee. I encourage you to shake it loose and move it to a vote. In not allowing there to be a full discussion about having Alaska receive the funds it deserves from its resources, it hinders the state from being able to fund critical services.

Thank you for your work on behalf of Alaskans.
