12	unobligated balance on June 30, 2025, of federal receipts received by the Department of			
13	Corrections through manday billings.			
14	It is the intent of the legislature the State of Alaska, through the Department of Corrections			
15	(DOC), no longer covers the full cost of unsentenced federal inmates housed in State			
16	facilities. The legislature urges the Department to coordinate with the Department of Law to			
17	either receive adequate daily funding for federal inmates housed in State facilities or to			
18	determine a method for them to be housed at a federal or private facility until court hearings.			
19	DOC and Department of Law shall then submit a joint response to the Co-chairs of the			
20	Finance committees and to the Legislative Finance Division by December 20, 2025, outlining

11	Department to direct personnel resources to other areas of the facility, reduce overtime, and			
12	find efficiencies. The Department shall provide a report to the Co-chairs of the Finance			
13	committees and to the Legislative Finance Division by December 20, 2025, detailing the

28	It is the intent of the legislature that the Department of Corrections continue the reform of the			
29	Regional and Community Jails program. Since the program's inception, public safety has			
30	changed in the state and jails are not utilized to the same extent. Therefore, the Department			
31	should renegotiate FY27 contracts by reducing the bed count by two-thirds if the individual			
32	community's unused bed rate was over sixty percent, when FY24 and FY25 are averaged, and			
33	any other corresponding costs. This realignment prevents closures and allows communities to

It is the intent of the legislature the State of Alaska no longer cover the full cost of housing unsentenced federal inmates in State facilities. Therefore, the legislature urges the Department of Law to work with the Department of Corrections and federal agencies to either receive adequate daily funding for federal inmates housed in State facilities or to determine a method for them to be housed at a federal or private facility until court hearings. Law and DOC shall submit a joint response to the Co-chairs of the Finance committees and to the Legislative Finance Division by December 20, 2025, outlining the determined terms, number of federal inmates housed in State facilities by month in 2025 and the final cost associated to the State, if any.
