## FISCAL NOTE

**STATE OF ALASKA**  
**2012 LEGISLATIVE SESSION**

**BILL NO.** CSSB 92 (FIN)

### **Analysis**

SB 92 amends the licensing requirements for dentists, dental hygienists, and dental assistants. The enactment of this legislation will require the following costs;

Personal Services consists of one full-time Investigator III position, Range 18 to conduct investigations into alleged violations and be directly responsible and accountable to the board.

Travel for investigative work is consistent with the duties outlined in the legislation.

Services include support services for the new position and increased legal services.

Commodities include for one time set up costs of furniture, computer, telephone, etc. and ongoing costs for supplies.

Under the self-sufficiency statute of AS 08.01.065, regulatory programs are required to pay the cost of regulation through licensing fees. This position would be funded from an increase in licensing fees.
