FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. SB 159

Analysis

This legislation increases the current statutory set aside from the employee portion of unemployment payroll tax to the State Training and Employment Program from one-tenth of one percent of covered wages, to two-tenths of one percent of covered wages.

The minimal costs to the Unemployment Insurance Tax unit associated with updating current processing and procedures to modify the accounting for unemployment contributions received will be accommodated within the existing budget.
