FISCAL NOTE ANALYSIS

STATE OF ALASKA 2025 LEGISLATIVE SESSION

Analysis

This bill establishes demonstration state-tribal education compacts and authorizes the commissioner of the Department of Education and Early Development (DEED) to enter into compacts with participating Tribes for a period of five years. The compacts must take effect on or before June 30, 2028. A demonstration state-tribal education compact school, also referred to as a Tribally Compacted Public Schools (TCPS), must operate in accordance with the terms of its compact. Through this bill, Tribes would have the opportunity to function like a local educational agency, granting them greater flexibility and authority over curriculum design, teacher certification, hiring practices, school calendars, and community engagement. Pupil transportation grants under AS 14.09 would be based on a per-pupil amount by district. There is no projected change based on this bill, as any grant to a TCPS is anticipated to be offset directly by a decrease in grant funds to the associated district due to a potential transfer of students. The funding mechanism is a general fund transfer to the Public Education Fund (PEF). The fiscal note effect for FY2026 through FY2031 is reported in the fiscal note for the PEF, as the funding is deposited to the PEF, not into the Pupil Transportation funding component. The above analysis is presented here for explanation purposes only.
