Subject: Regarding House Bill 121, removing the 150-credit hour requirement for CPA licensure
Date: Wednesday, April 30, 2025 5:28:33 PM

I am writing to you in support of the bill to remove the 150 hour requirement for CPA licensing. In my opinion, the extra 30 hours above a normal four year degree, does not better prepare students for an accounting career. The extra credits can be for any classes of the student's choosing. It is my understanding the extra hours be can be art classes, PE, history or engineering. I have a been a CPA since 1992, when the education requirement was a four year degree, no extra credits.
