To Whom It May Concern:

This letter is to express support of HB 62. Under HB 62, the State would allow residents in rural communities, such as Kake, who have no road access to DMV offices, to qualify for off-highway licenses, saving them the time and expense of traveling to DMV offices for services other Alaskans can get at home.

Respectfully,

William Bean Jr.
City Administrator

RE: Support for HB 62 – Off-Highway Drivers' Licenses

Dear Representative Kreiss-Tomkins,

Southeast Conference supports HB62 – Off Highway Drivers' Licenses. This bill would clarify eligibility requirements for off-highway driver's licenses, making them available to people in towns like Kake and Hoonah and Angoon. This means that folks in rural areas wouldn't have to travel to larger cities with DMV offices to get driver's licenses on unfamiliar roads.

Southeast Conference is a regional, membership based nonprofit corporation that advances the collective interest of the people, communities and businesses in Southeast Alaska. Members include municipalities, native corporations and village councils, regional and local businesses, civic organizations and individuals throughout the region. Our goal is to support policies that promote strong economies, healthy communities, and a quality environment for Southeast Alaska. We are the State-designated Alaska Regional Development Organization (ARDOR) and the federally-designated Economic Development District (EDD) for Southeast Alaska. Each of these designations requires Southeast Conference to take an active role in regional resource management and economic development planning.

With this legislation our members would have better access to a legal driver's license. On behalf of our Board of Directors, I encourage support for this legislation.

Sincerely,

Shelly Wright
Executive Director

Honorable Members of
The State of Alaska Legislature.

Dear Alaska State Legislators:

In regards to House Bill number 62, Off-Highway Driver's Licenses, establishing eligibility criteria for off-highway (non-commercial driver's licenses).

We feel that this bill should be passed. As a rural community it is difficult for our residents to access a DMV office to complete the requirements established to obtain a Driver's License. To do so is sometimes cost-prohibitive to the families involved, due to travel costs and a stay in a city that does have a DMV office. At this time the criteria that allows eligibility is set for communities with a populations less than 499. Our population is at approximately 850. To further extend the eligibility to communities that do not have access by road to the State's DMV offices is a favorable change for our community and it's residents.

It is our feeling that the action that should be taken on House Bill number 62 is a Do-Pass.

Thank you.

Respectfully,

Kenneth Skatestad

Mayor

City of Hoonah

January 26, 2015

Representative Kreiss-Tomkins
Alaska State Legislature
State Capitol Room 426
Juneau AK, 99801

Dear Representative Kreiss-Tomkins:
I am writing on behalf of the City of Angoon in support of HB-62 Off-Highway Driver's Licenses. The City of Angoon, which is located on Admiralty Island, has a population of 459 residents with less than 10 miles of road all together.

The City of Angoon greatly supports HB-62 because we have no DMV office in town and the only way to get to a DMV is to travel to either Juneau or Sitka, which adds a financial strain on many residents. The cost of traveling to Juneau or Sitka is quite expensive and even then, Sitka is only accessible during the summer ferry schedule. We agree with HB-62 Sponsor Statement:

"Instead, these residents face prohibitive conditions to receive licenses: they must travel to and stay in communities with DMV offices; borrow or rent vehicles; and schedule and take road tests on unfamiliar roads or highways before they can be legally allowed to drive at home."

We at the City of Angoon Support HB-62 and feel that its residents should be legally allowed to drive in the City they have grown up in with only an off-highway license. We understand that this license would only pertain to Angoon and we accept that in order to drive outside of Angoon we would need a Class-D License.

Sincerely,

City of Angoon

Subject: Re: New messages from Anjeanette Larsen Voeller

The off system license is much needed for communities as Hoonah..

Some have anxiety attacks driving in cities etc

Such as myself, I cannot drive over 30 : (I have tried..

When going over 30 my heart pounds, clench wheel etc..

But my need for the off system is great, with that I can sustain a early morning or late night job.

And to be able to be self sufficient I need to work..

My two jobs in the past either started at 4am or ended at 11pm, and with either walking during

bear season wasn't a option. Cabs 5\$ a trip adds up also..

Plus some need it for transportation, meaning that I at the moment have my grand daughter and

need to get her to and from school.she is in kindergarten . Sometimes transportation is just more

convenient for that especially if running late.. Also loosing my dad in January I now need to be able

to help my mom go to store etc, as my dad was the driver for them..

There is also gathering of food, having off system would allow myself and my family go out berry

picking, hunting etc..

I would love to have the option to work late nights again, as two jobs would help me so financially..

And as a licensed driver, my stickers, license, insurance was always kept up.

Another thing is that in order to even get license, we have to travel out of town, possibly take own

vehicle or find one, as I have heard that you cannot use a rental, but in any case it would cost a few

hundred, travel, hotel vehicle etc and some just cannot afford that.. Being seasonal, or one income

household, such as myself..

Thank you so much for your time
