FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

-

Analysis

This legislation would require State agencies to assemble, generate, or furnish information in the form or format requested by the legislative audit division and the Legislative Budget and Audit Committee.

The executive branch is unable to know what form or format information may be request and what level of staff or contractor time and resources would be required to comply with a request. Therefore, the Office of Management and Budget submits an indeterminate fiscal note on behalf of all State agencies.
