FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. CSSB167(STA)

Analysis

This bill adds a new subsection to AS 43.23.005 that will allow an Alaskan who has had a conviction that has been vacated, reversed, or dismissed to potentially be eligible for a permanent fund dividend (PFD). This bill also allows for those who have prior convictions dismissed or found not guilty prior to the effective date of the proposed legislation are able to apply for a permanent fund dividend under AS 43.23.005(j), not later than one year after the effective date of this Act.

The division is unable to know how many Alaskans with past vacated sentences will apply for past year dividends in the year following the effective date of the bill, nor the number that may occur on an ongoing basis. Therefore, the fiscal impact of the proposed legislation to the division and to the PFD fund from which dividends are paid is indeterminate.

There would be one-time programming costs associated with the implementation of the proposed legislation.
