7 fund dividend applications; relating to the Redistricting Board; relating to the duties of

9 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

10 * **Section 1.** AS 15.05.020 is amended to read:

11 **Sec. 15.05.020. Rules for determining residence of voter.** For the purpose of
12 determining residence for voting, the place of residence is governed by the following

rules:

(1) A person may not be considered to have gained a residence solely by reason of presence nor may a person lose it solely by reason of absence while in the civil or military service of this state or of the United States or of absence because of marriage to a person engaged in the civil or military service of this state or the United States, while a student at an institution of learning, while in an institution or asylum at public expense, while confined in public prison, while engaged in the navigation of waters of this state or the United States or of the high seas, while residing on [UPON] an Indian or military reservation, or while residing in the Alaska Pioneers' Home or the Alaska Veterans' Home.

(2) The residence of a person is that place in which the person's physical habitation is fixed, and to which, whenever absent, the person has an articulable and reasonable plan [THE INTENTION] to return. If a person resides in one place, but does business in another, the former is the person's place of residence. Temporary work sites do not constitute a dwelling place.

(3) [A CHANGE OF RESIDENCE IS MADE ONLY BY THE ACT OF REMOVAL JOINED WITH THE INTENT TO REMAIN IN ANOTHER PLACE.] There can only be one residence.

(4) A person does not lose residence if the person leaves home and goes to another country, state, or place in this state for temporary purposes only and with the intent of returning to the person's physical habitation.

(5) A person does not gain residence in any place to which the person comes without the present intention to establish a physical habitation [PERMANENT DWELLING] at that place indefinitely.

(6) A person loses residence in this state if the person establishes residence in another state or votes in another state's election, either in person or by absentee ballot, and will not be eligible to vote in this state until again qualifying under AS 15.05.010.

(7) The term of residence is computed by including the day on which the person's residence begins and excluding the day of election.

(8) The address of a voter as it appears on the official voter registration

record is presumptive evidence of the person's voting residence. This presumption is negated [ONLY] if the voter notifies the director in writing of a change of voting residence. When a voter's qualification is questioned under AS 15.15.210 or challenged in accordance with the procedure adopted in regulation under AS 15.20.215, the presumption may be rebutted by providing evidence to the division that the voter has established residence in another country, state, or place in this state or evidence that the voter is not a resident under (2) - (7) of this section.

* Sec. 2. AS 15.07.060(c) is amended to read:

(c) Each applicant who requests registration in person before a registration official shall exhibit one form of identification to the official, including a driver's license, state identification card, current and valid photo identification, birth certificate, passport, or identification card issued by a federally recognized tribe [HUNTING OR FISHING LICENSE]. A registration official who knows the identity of the applicant may waive the identification requirement.

* Sec. 3. AS 15.07.060(e) is amended to read:

(e) For an applicant requesting initial registration by mail, by facsimile or other electronic transmission approved by the director under AS 15.07.050, or by completing a permanent fund dividend application, the director shall verify the information provided in compliance with (a)(2) and (3) of this section through state agency records described in AS 15.07.055(e). If the applicant cannot comply with the requirement of (a)(2) of this section because the applicant has not been issued any of the listed numbers, the applicant may instead submit a copy of one of the following forms of identification: a driver's license, state identification card, current and valid photo identification, birth certificate, passport, or identification card issued by a federally recognized tribe [HUNTING OR FISHING LICENSE].

* Sec. 4. AS 15.07.070 is amended by adding new subsections to read:

(n) The division may use information provided by the Department of Revenue under AS 43.23.015 and 43.23.101 only to register a voter and conduct voter roll maintenance. The division may not disclose personally identifiable information obtained from the Department of Revenue.

(o) The division, in cooperation with the Department of Revenue, shall submit an annual report to the governor and to the senate secretary and chief clerk of the house of representatives on or before the first day of each regular session of the legislature and notify the legislature that the report is available. The report shall detail

(1) the number of permanent fund dividend applicant records shared with the division;

(2) the effect that shared permanent fund dividend applications had on voter roll maintenance under (n) of this section and on election integrity; and

(3) security measures taken to protect voter information.

(p) In this section, "voter roll maintenance" includes confirming the residency of a registered voter, identifying duplicate registrations, detecting voters who have moved, and detecting voters who are ineligible to vote under AS 15.05.

(d) The notice sent under (a) [(b)] of this section must include a postage prepaid and pre-addressed return card on which the voter may state the voter's current address. The notice must indicate

(1) that the voter should return the card not later than 45 days after the date of the notice if the voter did not change residence;

In conducting these reviews, the division shall gather and examine available data from other states and information from the United States Postal Service forwarding databases, motor vehicle records, Department of Corrections records, property and sales tax records, United States Social Security Administration databases, jury duty records, National Change of Address records, and similar records. The director shall adopt regulations prescribing additional review procedures employing statistical methods to limit the risk of certifying an election result that would be inconsistent with the result that would be obtained by conducting a recount.

* **Sec. 25.** AS 15.20.030 is amended to read:

Sec. 15.20.030. Preparation of ballots, envelopes, and other material. The director shall provide ballots for use as absentee ballots in all districts.
