## FISCAL NOTE

STATE OF ALASKA  
2012 LEGISLATIVE SESSION

BILL NO. SB 156

### Analysis

This legislation extends the time period for which the Alaska Railroad may lease land from 55 years to 95 years.

Senate Bill 156 will not create a fiscal impact on the State of Alaska but will provide future benefit to the Alaska Railroad Corporation and individuals interested in leasing Alaska Railroad land. This legislation will allow for the Alaska Railroad Board of Directors to lease land for certain projects it approves for a period of up to 95 years.

The Alaska Railroad Corporation (ARRC) is a public corporation supported by revenues generated through its freight, passenger and real estate activities. ARRC does not receive state operating subsidies.
