FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. SSSB154

Analysis

Senate Bill 154 establishes a board to investigate and report on the wages, workforce, and working conditions for covered services: chore services, hourly respite services, personal care services, and habilitation services.

The bill would require the board to meet at least three times annually and produce a biennial report of their findings and recommendations to the commissioner of the department of health. The bill allows the board meetings to be held by teleconference or other electronic means. The commissioner can accept or reject the recommendations but must provide written explanation of rejections to the board and to the legislative committees that oversee health and social services.

The bill requires that a biennial report be published on the department's website and contain key findings and recommendations regarding wages, rates for services, working conditions, recruitment challenges, and other information. Regulations would need to be developed that compel providers of these services to provide data on wages and other information sought, and to compel them to pay workers at the levels required in the bill.

The department anticipates needing two additional full-time Health Program Manager 2 positions to fulfill the reporting requirements.

Personal Services: One full-time Health Program Manager 2, range 19, Anchorage: \$132.3 (including benefits) annually beginning in FY2026, which will work on regulations and setting up the board in FY2026. Another full-time Health Program Manager 2, range 19, Juneau: \$137.9 (including benefits) annually beginning in FY2027.

Travel: Travel for state staff and board members for meetings and presentations \$2.0 annually.

Services: Office space, phone, reimbursable service agreements for position support and production of annual report \$24.0 annually for each position.

Commodities: Office supplies \$2.0 annually for each position.

One-Time Commodities Cost: Computer, software, and office equipment \$3.0 additional for the first year of each position.
