2 Delete all material and insert:

3 "(g) Upon request by the Alaska Gasline Development Corporation, a
4 municipality or a state entity shall provide water, sand and gravel, a permit, or a lease
5 to the Alaska Gasline Development Corporation at the usual and customary rates. In
6 this subsection, "state entity" means a state department, authority, or other
7 administrative unit of the executive branch of state government, a public university, or
8 a state public corporation.

9 (h) That part of the cost of providing, under (g) of this section, water, sand and
10 gravel, or other nonhydrocarbon natural resources, or of entering into a lease or
11 permit, that is borne by the Alaska Gasline Development Corporation for an in-state
12 natural gas pipeline project that is owned in whole or in part by the Alaska Gasline
13 Development Corporation may not be included in the rate base in a proceeding under
14 AS 42 or before the Federal Energy Regulatory Commission."
