FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. SB 133

Analysis

SB 133 establishes designation of prior authorization processes of health care insurers that complies with the standards for prior authorizations for medical care and prescription drugs in AS 21.07.100 - 21.07.180 to minimize administrative burdens on health care providers and facilities. This legislation will require health care insurers to provide a report to the Director of the Division of Insurance and will require the director to monitor compliance with the provisions of AS 21.07.100 - AS 21.07.180, as well as adopt regulations establishing penalties for noncompliance with AS 21.07.100 - 21.07.180.

The Division of Insurance anticipates minor fiscal impact (\$7.5) in FY2027 for regulations review with the Department of Law. This cost will be absorbed by the division.
