

## STANDARD 2 - EDUCATIONAL PROGRAM

### Instruction

- 2-1**    **The curriculum must include at least two academic years of full-time instruction or its equivalent at the postsecondary college-level. The scope and depth of the curriculum must reflect the objectives and philosophy of higher education. The college catalog must list the degree awarded and course titles and descriptions.**

**In a two-year college setting, the graduates of the program must be awarded an associate degree. In a four-year college or university, graduates of the program must be awarded an associate or comparable degree, post-degree certificate, or baccalaureate degree.**

**Intent:**

*The dental hygiene curriculum is comprehensive in scope and depth and requires a minimum of two years of academic preparation. The curriculum should include additional coursework and experiences, as appropriate, to develop competent oral health care providers who can deliver optimal patient care within a variety of practice settings and meet the needs of the evolving healthcare environment.*

*In a four-year college setting that awards a certificate, admissions criteria should require a minimum of an associate degree. Institutions should provide students with opportunities to continue their formal education through affiliations with institutions of higher education that allow for transfer of course work. Affiliations should include safeguards to maximize credit transfer with minimal loss of time and/or duplication of learning experiences.*

*General education, social science and biomedical science courses included in associate degree dental hygiene curricula should parallel those offered in four-year colleges and universities. In baccalaureate degree curricula, attention is given to requirements for admission to graduate programs to establish a balance between professional and nonprofessional credit allocations.*

**Examples of evidence to demonstrate compliance may include:**

- copies of articulation agreements
- curriculum documents
- course evaluation forms and summaries
- records of competency examinations
- college catalog
