Please accept this hearing request for House Bill 271, entitled "*An Act relating to the Alaska Industrial Development and Export Authority; and providing for an effective date.*"

The purposes of this bill are to restructure the AIDEA Board, to create uniform requirements for project development on all AIDEA projects requiring \$10 million or more in financing, and to strengthen public engagement, transparency and oversight requirements throughout AIDEA statutes.

Find attached a copy of the bill, sponsor statement, sectional analysis and supporting documents.

My staff is working to complete a PowerPoint presentation relating to HB 271 that will be provided to committee staff electronically ahead of a hearing.

I would be happy to prepare any other necessary documents or provide additional information.

Please feel free to contact my staff, Elise Sorum-Birk at 465-4939 with any questions.
