RE: Support of SB 130, Alaska Native Language Preservation and Advisory Council

Dear Senator Olson:

In the majestic forests of Southeast Alaska, along the coastlines of *Haa Aani* (Our Land), our people have gathered in the clan houses and told our stories for thousands of years, passing down the wisdom of Elders and the richness of our culture for generations. This oral history stood unbroken for centuries, but now the languages of the Alaska Native people face extinction. It is imperative that these languages be preserved and with them, the foundation of Alaska Native cultures and ancient traditional knowledge.

Sealaska Corporation offers its overwhelming support of SB 130, An Act establishing the Alaska Native Language Preservation and Advisory Council and relating to the preservation, restoration, and revitalization of Alaska Native languages. Sealaska urges the Alaska State Legislature and Governor of Alaska to also champion an allocation of funds to programs that restore Alaska Native Languages.

We can all be part of a solution to address the many challenges facing Alaska Natives. Native youth have been shown to improve academic performance when taught in their Native tongue; healthy self-esteem has been linked to a strong sense of identity; and thriving communities are built on the foundation of strong family relationships and lines of communication.

Please share this letter of support to any extent that it might encourage others to vote for the passage of SB 130, and secure funding for programs to restore the words of our ancestors.

Sincerely,

Albert M. Kookesh

Albert Kookesh, Board Chair
