## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2025 LEGISLATIVE SESSION

—

**Analysis**

This legislation will create Universal Temporary Licensure (UTL) laws in Alaska and will support military families by aligning Alaska law with the current federal Servicemember Civil Relief Act (SCRA) licensure portability provisions, which initially took effect in January 2023 and were amended effective March 2025. It will also repeal/annul the temporary military courtesy license statutes and regulations since military members and their spouses will be able to obtain the temporary license under UTL (for which requirements align with the requirements for a temporary military courtesy license now) or obtain a permanent license under SCRA or Alaska's standard requirements.

If the bill passes, expenses related regulations projects will be incurred. The division plans to roll these projects into other projects to streamline the process, thus no additional authority will be required.

*Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Per AS 08.01.065, licensing fees for each occupation are set so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.*
