21 dwellings that have been found by the inspection to meet the standards established by  
22 the program shall have credits applied to the rate in amounts approved by the director;

16 the responsibility of the members of the authority.

17 (f) On or before September 1 of each year, the board shall prepare a report  
18 reviewing the operations of the previous year and deliver the report to the state's  
19 congressional delegation, the governor, the senate secretary, and the chief clerk of the

21 report, the board shall

- 2 (3) enter into contracts with insurers, similar authorities in other states,
- 3 or other persons for the performance of administrative functions;
- 4 (4) establish administrative and accounting procedures for the
- 5 operation of the authority; and
- 6 (5) receive funds from sources other than members of the authority.

7 **Sec. 21.60.130. Plan of operation.** (a) The authority shall submit to the  
 8 director a plan of operation to ensure the fair, reasonable, and equitable administration  
 9 of the authority. The authority may submit amendments to the plan of operation to the  
 10 director. The plan of operation and amendments become effective upon approval in  
 11 writing by the director.

12 (b) Each member of the authority shall comply with the plan of operation.

13 (c) The plan of operation must contain the following:

 2 fees and taxes levied by the state or any of its political subdivisions except taxes levied  
 3 on real or personal property or under AS 21.09.210.

4           **Sec. 21.60.160. Types of insurance plans.** The authority shall make available  
 5 to a person who is eligible for coverage under AS 21.60.100 - 21.60.300 at least one  
 6 state plan of flood insurance. The authority may not refuse coverage under a state plan  
 7 to a person who is eligible under AS 21.60.100 - 21.60.300, applies for coverage, and  
 8 pays the required premium.

9           **Sec. 21.60.170. Coverage and terms of state flood insurance plan.** (a)  
 10 Except as provided in (b) of this section, the coverage of a flood insurance plan  
 11 offered under AS 21.60.160 shall be the same as the coverage provided under a  
 12 standard flood insurance policy offered by the National Flood Insurance Program  
 13 established by 42 U.S.C. 4001 - 4131 (National Flood Insurance Act), including  
 14 minimum amounts of coverage, deductibles, exclusions, and conditions.

15           (b) A flood insurance plan must set the maximum amount of coverage for a  
 16 residential property at \$1,000,000 and the maximum amount of coverage for a  
 17 commercial property at \$2,000,000. A flood insurance plan may not include a  
 18 requirement that a flood must inundate a certain amount of normally dry land area or  
 19 properties to be covered.

20           (c) The terms of a plan offered under AS 21.60.160 must contain

21                   (1) a requirement to provide the notice of cancellation or nonrenewal  
 22 required by AS 21.36.220 and 21.36.240 to

23                           (A) the insured; and

24                           (B) the regulated lending institution or federal agency lender;

25                   (2) a mortgage interest clause similar to the clause contained in a  
 26 standard flood insurance policy under the National Flood Insurance Program;

27                   (3) notwithstanding AS 09.10.053, a provision requiring an insured to  
 28 file suit not later than one year after the date of a written denial of all or part of a claim  
 29 under the policy; and

30                   (4) cancellation provisions that are as restrictive as the provisions  
 31 contained in a standard flood insurance policy under the National Flood Insurance

1 Program.

2 **Sec. 21.60.180. State plan premiums.** (a) The authority may not charge a rate  
3 for flood insurance coverage that is excessive, inadequate, or unfairly discriminatory.

4 (b) The board shall determine flood insurance premium rates by primarily  
5 considering the actual historical flood and damage data on the real and personal  
6 property proposed to be insured. The board shall submit premium rates to the director  
7 for approval before use.

8 (c) The board may retain an actuary or other consultant as may be necessary to  
9 determine flood insurance premium rates and to perform other assigned duties.

10 **Sec. 21.60.190. Duties of authority.** (a) The authority shall perform the  
11 administrative and claims payment functions required by this section.

12 (b) The authority shall provide to all eligible persons enrolled in a state plan a  
13 policy setting out a statement of the insurance protection to which the person is  
14 entitled, with whom claims are to be filed, and to whom benefits are payable. The  
15 policy must indicate that coverage was obtained through the authority.

16 (c) The authority shall submit to the director on a semiannual basis a report on  
17 the plan of operation. The director shall determine the specific information the report  
18 must contain.

19 (d) The authority shall pay claims and shall indicate when a claim is paid  
20 under a state plan. A claim payment must include a telephone number that can be used  
21 for inquiries regarding the claim.

22 **Sec. 21.60.200. Funding for authority and insurance program; penalties.**

23 (a) Each member of the authority shall share the losses of the insurance program  
24 established under AS 21.60.100 - 21.60.300 insuring real and personal property and  
25 improvements to real property within a special flood hazard area in the state. Each  
26 member of the authority shall pay member dues. Dues under this section must be  
27 sufficient to cover the operating and administrative expenses of the authority. The  
28 board shall determine member dues under this section.

29 (b) In addition to the member dues collected under (a) of this section, the  
30 board shall make an annual determination of each member's liability under (a) of this  
31 section, if any, and may make an annual fiscal year end assessment if necessary to

1 operate the insurance program. The board may also provide for interim assessments  
 2 against the members as may be necessary to ensure the financial capability of the  
 3 authority to pay claims and operate the insurance program until the authority's next  
 4 annual fiscal year end assessment. The board may make assessments under this section  
 5 that are sufficient to operate the insurance program. The board may decline to levy an  
 6 assessment against a member if the assessment would be minimal.

7 (c) Payment of an assessment is due within 30 days after a member receives  
 8 written notice of a fiscal year end or interim assessment. A member that no longer  
 9 does business in the state remains liable for assessments until the board determines  
 10 under (b) of this section that no assessment is due. Assessments paid by a member are  
 11 a general expense of the member. If a member fails to pay a fiscal year end or interim  
 12 assessment as required in this subsection,

13 (1) the member shall pay a civil penalty to the director in the amount  
 14 of \$100 for each day the member fails to pay the required assessment; and

15 (2) the director may revoke the member's certificate of authority.

16 (d) If the total amount of member liability calculated under (b) of this section  
 17 is insufficient to satisfy a legally authorized claim against the insurance program under  
 18 AS 21.60.100 - 21.60.300, the legislature may appropriate up to a total of \$5,000,000  
 19 from cash reserves of the Alaska Housing Finance Corporation to the Department of  
 20 Commerce, Community, and Economic Development to satisfy the unpaid claim.

21 **Sec. 21.60.210. Eligibility for state flood insurance.** A person determined by  
 22 the authority to have an insurable interest in insurable property is eligible to enroll in a  
 23 state plan described in AS 21.60.160. Additional eligibility requirements for  
 24 enrollment in a state plan may be imposed if approved by the director.

25 **Sec. 21.60.220. Enrollment by an eligible person.** A person may apply to  
 26 enroll in a state plan by applying to the authority. The application must include

27 (1) the name, address, and age of the applicant;

28 (2) a description of the property to be insured sufficient for the  
 29 authority to investigate and determine its insurability;

30 (3) a designation of the plan desired; and

31 (4) any other information requested by the authority.

1           **Sec. 21.60.230. Response by the authority.** Within 30 days after receiving the  
 2 application described in AS 21.60.220, the authority shall provide the applicant with  
 3 either a notice of rejection for failing to comply with the requirements of  
 4 AS 21.60.210 and 21.60.220 or a notice of acceptance.

5           **Sec. 21.60.240. Effective date of insurance under a state plan.** Insurance  
 6 under a state plan takes effect immediately upon receipt of the first premium if the  
 7 applicant otherwise complies with the requirements of AS 21.60.100 - 21.60.300.

8           **Sec. 21.60.250. Solicitation of eligible persons.** (a) The authority, under a  
 9 plan approved by the director, shall communicate to persons who reside or own  
 10 property in a special flood hazard area the existence of the state plan and the means of  
 11 enrollment. Means of communication may include electronic mail, use of the Internet,  
 12 press, radio, and television, as well as publication through appropriate state offices,  
 13 state publications, and Internet websites.

14           (b) A person may not sell or market a qualified state plan unless the person is  
 15 acting within the scope of a license issued in this state.

16           (c) An insurer that rejects or applies underwriting restrictions to an applicant  
 17 for a flood insurance policy in the state shall notify the applicant of the existence of  
 18 the state plan, the requirements for being accepted, and the procedure for applying.

19           **Sec. 21.60.260. Duties of director; insurance program.** The director shall  
 20 formulate general policy and, after notice and hearing, adopt regulations that are

 23 the authority under AS 21.60.100 - 21.60.300.

24           **Sec. 21.60.280. Board member civil and criminal immunity.** A member of  
 25 the board may not be held civilly or criminally liable for an act or omission if the act  
 26 or omission was in good faith and within the scope of the board member's duties under  
 27 AS 21.60.100 - 21.60.300.

28           **Sec. 21.60.290. Alaska flood insurance fund.** (a) The Alaska flood insurance  
 29 fund is established as a separate fund in the state treasury. Premiums, dues, and  
 30 assessments collected shall be separately accounted for and deposited into the fund.  
 31 Investment earnings and interest earned on the fund shall be retained in the fund.

(b) The legislature may appropriate the annual estimated balance in the fund to the Department of Commerce, Community, and Economic Development to operate the authority and fund the insurance program under AS 21.60.100 - 21.60.300.

(c) Payment for claims under the insurance program under AS 21.60.100 - 21.60.300 is subject to appropriation.

(d) Money in the fund does not lapse.

(e) Nothing in this section creates a dedicated fund.
