FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2026 LEGISLATIVE SESSION**

BILL NO. HB047

Analysis

This bill creates two new felony level crimes for the possession and distribution of generated obscene child sexual abuse material. These crimes include increased penalty ranges for recidivist convictions and are listed as sex offenses.

The Agency is unable to effectively predict how many people would be charged under this statute and of those the number that would be appointed counsel. The Agency submits a zero fiscal note at this time but will request additional funding in future budget cycles if the legislation results in significant workload increases
