HB 261

Version 34-LS1293\N

“An act relating to education funding and providing for an effective date.”

Section 1: Amends AS 14.03.410 (e) to conform to AS 14.17.600 under former AS 14.17.500.

Sections 2: Amends AS 14.11.100 (o) (A) through (M) to conform to AS 14.17.600 under former AS 14.17.500.

Section 3: Amends AS 14.11.100 P(2)(A) through (L) to conform to AS 14.17.600 under former AS 14.17.500

Section 4: Amends AS 14.11.100 (q) (1)(A) and (B) conforms to AS 14.17.600 under former AS 14.17.500.

Section 5: Amends AS 14.16.050 (a) (2) (B) with conforming language, changing AS 14.17.500 - AS 14.17.910 to AS 14.17.505 – 14.17.910.

Section 6: AS 14.17.410 (b) (1) is amended by deleting (E) through (G). This section eliminates the five percent adjustment allowance that school districts used in determining average daily membership (ADM), commonly known as the “hold harmless” clause.

Please note that, due to conforming changes, (E) and (F) are re-lettered from (H) and (I), respectively. (F) through (J) are re-lettered to conform as determined throughout Section 6.

Section 7: Amends AS 14.17.420 (a) redefining intensive student funding enrollment counts allowing for the intensive student count to be equal to or greater than enrollment counts taken by October 15 of the previous fiscal year, **or** by selecting one of the following enrollment count options: 1) use of the current enrollment fiscal year; 2) use of a second count by February 15 of the current fiscal year, should the district choose to conduct an additional student enrollment count; or 3) by using the district’s three-year average intensive student enrollment count, whichever is greater.

Section 8: Amends AS 14.17.450 (g) by adding a new subsection that states that the calculation of a district’s student count must be based on the previous district’s three-year average ADM reported in AS 14.17.600 or the ADM reported in the previous fiscal year, whichever is greater.

Section 9: Amends AS 14.17.600 (a) by adding that the report submitted by a district for its ADM count period shall include the district’s previous three-year average ADM, student count information the department determines is necessary to calculate community and charter school ADMs, that relate to the district under AS 14.17.905, in order determine the amount of the district’s state aid for the succeeding fiscal year.

The district shall also include the in district’s report of the number of special education students who needed and received intensive services on October 15 of that count period, which the department shall use to determine funding for intensive services for the succeeding fiscal year under AS 14.17.420 (a) (2) (A) and (D), and if applicable, for the current fiscal year under AS 14.17.420 (a) (2) (B).

Section 10: Amends AS 14.17.600 by adding new subsections from AS 14.17.500 (b) through (g) to AS 14.17.600 (c) through (h).

Section 11: Amends AS 14.17.600 (e) by adding a new subsection (d)(1)-(2) to read that “a district may not include in the district’s ADM, a student in a district-wide early education program provided by the district.”
