FISCAL NOTE

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. HB330

Analysis

The proposed legislation would require the Department of Labor to establish a task force for vetting educational standards and advising the Department of Education & Early Development on matters education standards for students in grades kindergarten through 12 in the state.

The Department of Labor and Workforce Development under this proposed legislation would provide staffing and data requested by the task force. The legislation does not clearly identify the scope of data the Department of Labor and Workforce Development must produce for this task force.

While EED would have one member on the task force , travel costs and per diem would be paid by EED.
