Senator Costello,

As a constituent and an owner of CENTURY 21 Realty Solutions, I'm writing to you to request your support for the appointment of Devon Thomas to the Alaska Real Estate Commission. Since the beginning of my career in real estate, I have known Devon as my Broker and then as an owner of a competing brokerage. She has always been someone I have looked up to in my professional life and is one of the most ethical people I know. Devon will be a great asset to the Alaska Real Estate Commission and Alaska's people.

I appreciate your support and all you do for our state.
